“ My deep sympathy to the Conterras family. I had such wonderful memories of your mom. Especially when my dad ,your tio Willie would let me spend the weekend at Ma winnas house as a kid. I would spend the night with your mom as a child. I enjoyed listening to Stevie Wonder music your mom use to play. Her room was located infront of the house and at 4:30 a.m. we would hear the train pass. I would get scared but Juanie comfort me.I will always cherish these memories. Yes she loved to sew and play bingo
